GENERAL DISCLOSURES.

1. This time-share plan is registered with the California Department of Real Estate as required by law. Registration does not constitute an endorsement of the time-share plan and the California Department of Real Estate has not passed on the merits of the time-share property being offered for sale.

2. You may cancel the purchase or lease of the time-share interest(s) in the time-share plan without any penalty or obligation and you are legally entitled to the return of all money and other consideration you have given towards the purchase. You must notify the developer in writing of your intent to cancel within 7 calendar days of receipt of the public report or the date you sign the purchase contract, whichever date is later. The notice of cancellation must be affixed to the front of this public report.

3. As a general rule, a developer’s promotional and marketing costs in a time-share offering constitute a major portion of the purchase price. Should you purchase a time-share interest, you may find it difficult to resell your time-share interest without the use of an extensive promotional and advertising campaign or use of a sales organization. Should you lease a time-share interest, you will be prohibited from assigning it to a third-party other than your direct heirs.

4. You are urged to visit and inspect the time-share property before entering into an agreement to purchase or lease. You should determine for yourself that the property meets your personal requirements and expectations. Misunderstandings more easily arise as to the desirability of the property when this is not done. You should also carefully review the purchase or lease contract to ensure that any promises of importance to you are included in the contract.

5. Failure to pay the assessments levied by the time-share association will prevent you from occupying and using the time-share accommodation and, if you are purchasing, result in a lien on your interest. In the event of any other breach by a time-share owner or lessee of any of the project’s governing documents, the time-share association may, after notifying the time-share owner or lessee, suspend the right to occupy the accommodation.

6. The developer must, prior to close of escrow, provide you with a notice describing any and all material changes to the offering since the date of issuance of this public report. (Refer to Section 11226(f)(2) of the Business & Professions Code.)

7. The ability of time-share owners to control operations and management of the time-share plan may be severely limited as long as the developer controls the association or management or the reservation system. If you are purchasing, you should thoroughly review the governing documents for the time-share plan so that you will have a better understanding of your rights as a member of the time-share plan association. If you are leasing, you will not become a member of the time-share plan association.
8. You have a duty to pay assessments even if you are unsuccessful in reserving an accommodation.

9. A one-to-one purchaser and lessee to accommodation ratio must be maintained. This means the ratio of the number of purchasers and lessees eligible to use the accommodations of the time-share plan on a given night must never exceed the total number of accommodations of the time-share plan available for use in the time-share plan during that year. A purchaser or lessee who is delinquent in the payment of time-share assessments shall continue to be eligible to use the accommodations of the time-share plan for purposes of calculating the one-to-one purchaser accommodation ratio. (Refer to Business & Professions Code Section 11250.)

10. POINTS-BASED PROJECTS. No time-share interest owner or lessee shall be prevented from using a time-share plan as a result of changes in the manner in which point values may be used. (Refer to B&P Code Section 11233(c)(2).)

11. INCIDENTAL BENEFITS. If you are offered the opportunity to acquire an incidental benefit in connection with the sale or lease of a time-share interest, the developer shall provide you with a disclosure statement containing all of the following information:
   a) A general description of the incidental benefit, including the terms and conditions governing the use of the incidental benefit.
   b) A statement that the continued availability of the incidental benefit is not necessary for the use and enjoyment of the purchaser’s or lessee’s use of any accommodation of the time-share plan.
   c) A statement that the purchaser’s or lessee’s use of or participation in the incidental benefit is completely voluntary, and payment of any fee or other cost associated with the incidental benefit is required only upon that use or participation.
   d) A listing of the fees, if any, that the purchaser or lessee will be required to pay to use the incidental benefit.
   e) A statement that no costs of acquisition, operation, maintenance, or repair of the incidental benefit shall be passed on to purchasers or lessees of time-share interests in the time-share plan as a common expense of the time-share plan.

12. EXCHANGE PROGRAMS. This time-share project may be affiliated with one or more exchange programs whereby time-share owners or lessees may voluntarily exchange the right to use and occupy accommodations and facilities in this project with accommodations in other projects. Exchange programs are not subject to Department of Real Estate laws and regulations. Therefore, the Department of Real Estate has not evaluated any exchange program(s) included in this offering. There is no guarantee that this project will remain affiliated with any particular exchange program. Since exchange programs are unregulated, the Department recommends prospective purchasers and lessees use discretion in evaluating exchange programs offered in conjunction with time-share offerings.

13. IMPORTANT CAUTIONARY NOTES:
   • You only have seven (7) days from the date you entered into the purchase or lease contract to rescind, cancel, and unwind your time-share purchase. After
the seven days have transpired, you have no further rescission or contract cancellation rights. (Refer to Section 11235 of the Business & Profession Code.)

- If possible, you should visit and inspect the relevant time-share property(ies) to see if the same meets your expectations and needs.

- All promises made to you during the sales presentation (which induced you to purchase or lease the time-share) must – or certainly should – be in the contract you sign. If they are not included in the contract, or if the contract language disclaims any promises made during the sales presentation, those promises are not binding and enforceable.

- Carefully read and fully understand the contract. If you cannot understand the contract and its terms, have it reviewed by someone who does, and have them explain the agreement and terms to you.

- Do thorough research and in-depth homework about the time-share (including valuation and values, applicable points, points and reservation systems, availability of property(ies) and vacation opportunities, and maintenance fees), the time-share development, and the time-share developer.

- Educate yourself thoroughly about your rights and obligations as a time-share owner or lessee, what it is that you have purchased/leased (or will be purchasing/leasing), your vacation plan, the history of the plan, and make certain that the time-share and its offerings meets your current and future needs (and the maintenance fees and related obligations are ones that you can afford).

- Evaluate the value to you of the time-share, and consider the aggregate of the purchase or lease price and all maintenance fees that you must pay yearly (including the current fees and any possible/probable increases to those fees).

- Understand that the vast majority of time-shares are not investments in real property, and they are not assets that appreciate (grow) in value.

- Re-selling time-shares can be extremely difficult. Educate yourself about the resale market, and understand that for purchasers the time-share you purchase, as well as all of the associated maintenance fee obligations, might be yours for a lifetime.

The Program is a multi-location, points-based, time-share use plan with a nonspecific time-share interest, as such terms are defined in California Business & Professions Code §11212. Purchasers of Program interests (called “Ownerships”) become members of Welk Resorts Platinum Owners Association (“Association”), which is a California non-profit, mutual benefit corporation. The Association manages the Program for the use and benefit of Owners. Purchasers of Ownerships receive “Points”, which are intangible personal property and derived from the dedication to the Program of timeshare interests and accommodations in the Underlying Resorts. Owners do not receive an interest in real property. Lessees in the Platinum Lease Program, a program that provides Lessees with use and occupancy rights (“Use Rights”) associated with Points owned by the developer, do not become members of the Association. The developer also offers short-term products, as defined in California Business & Professions Code §11212, such as the Auditions Program, which provide limited use and occupancy rights associated with Points owned by the developer. Participants in the developer’s short-term product programs do not become members of the Association. The Association owns fee title to each of the interests in the locations listed above, except for the Desert Oasis by Welk Resorts location, which is a leasehold interest expiring September 13, 2061, and except for Sirena Del Mar by Welk Resorts, which is a trust interest expiring February 13, 2059. The Association’s interest is coupled in each case with a fractional interest in the common areas at each resort, free and clear of any unsubordinated debt. The units and common areas at the resorts are operated and maintained by separate Underlying Associations at each resort. Eagle Crest Resort, El Corazon de Santa Fe, Four Seasons Residence Club Aviara, Four Seasons Residence Club Scottsdale at Troon North, Villas of Cave Creek, Arroyo Roble Resort, Red Wolf Lodge at Squaw Valley, Red Wolf Lakeside Lodge, Poste Montane Lodge, and Pono Kai Resort are all operated and maintained by their respective owners associations. These properties are not managed by Welk Hospitality Management, Inc., which provides management and operational services for the Underlying Associations at the other Underlying Resorts. The Association, as the owner of timeshare interests at each resort, has voting rights in each of the Underlying Associations.

The developer is authorized under this Public Report to offer for sale both time-share interests having terms in perpetuity and terms of varying lengths (e.g., 5, 10, or 15 years), including short terms for short-term products (e.g., 18 months or 3 years), and to offer for lease Use Rights of varying lengths under a Platinum Term Lease Agreement.
Program Owners’ voting and use rights are determined by the number of Points owned. There is one vote in the Association for each 1,000 Points purchased (rounded down). Lessees in the Platinum Lease Program and participants in the developer’s short-term product programs do not have voting rights.

On January 1 of each year (or every other year for Biennial Owners, and every third year for Triennial Owners), Owners will be credited with the number of Points purchased, and will have one year from that date to redeem those Points, for room/nights of accommodations at the Underlying Resorts or other uses offered through the Program. Use of each dwelling unit requires a certain number of Points depending on the location and type of the unit and the demand for the particular time period requested for reservation, in accordance with the Point Valuation Schedule. High demand days, such as weekends or holidays in two-bedroom, three-bedroom, or larger combined units at prime locations, require the most Points.

Reservations can be made from 18 to 15 months prior to check-in for Owners who, at the time of purchase, specify in their purchase agreement a unit, unit type or week at a specified Welk Resort ("Fixed Ownerships"). If such a reservation is not confirmed during this timeframe, such inventory shall be released into inventory available to all Owners. All other Ownerships are known as “Flex Ownerships”. In addition, Owners and Lessees who have purchased, leased, or otherwise received specified amounts of Annual Points from the developer, Rewards Points (defined below), PIC Points (defined below), and/or any other point equivalent program expressly authorized in writing by the developer, have expanded reservation windows (specified below).

Reservation periods may differ for resort locations in the Program that are not managed or operated by the Association and its managing agent, Welk Hospitality Management, Inc., and some Owners and Lessees may have expanded reservation periods for these resorts.

“Rewards Points” are Points owned by the developer that are provided to purchasers as an incentive to complete the purchase of Annual Points. Rewards Points do not apply to the Lease Program. Rewards Points expire upon use or the termination of the use year for which they are given. Prior to their expiration, Rewards Points may be used or combined with Annual Points to reserve and use villa accommodations at a Welk Resort or other specified resort property. However, reservations made using Rewards Points are for personal use only, and may not be used for rental. Rewards Points are non-transferable, non-assignable, do not grant ownership rights, may not be borrowed or accrued, may not be used for exchange, and are subject to other limitations set by the developer that may be discontinued or modified at any time in the developer’s sole discretion.

“PIC Points” are points issued in the Personal Interval Choice Program, a developer program beginning September 1, 2019, where owners of non-Welk deeded weeks can submit their deeded week in exchange for points that can be used in the Program. PIC Points are backed by the non-Welk deeded week with a value given by an exchange company, such as RCI, LLC. PIC Points expire upon use or the termination of the use year for which they are given. PIC Points are non-transferable, non-assignable, do not grant ownership rights, may not be borrowed or accrued, and are subject to other limitations set by the developer. The developer may discontinue or modify the Personal Interval Choice Program at any time in its sole discretion.

The "Platinum Rewards Program" only applies to annual Use Terms and is a package of benefits provided by the developer to Platinum Premier Owners and Lessees, Platinum Select Owners and Lessees, Platinum Elite Owners and Lessees, and Platinum Pinnacle Owners and Lessees.
Subject to certain fees and restrictions applicable to the Welk Platinum Rewards Program, Platinum Premier, Platinum Select, Platinum Elite, and Platinum Pinnacle Owners have the right to combine Points in their Points Account with Rewards Points or, in the case of both Rewards Program Owners and Lessees, a prescribed amount of developer-owned Points (“Bonus Points”) to make a reservation, or to upgrade to a larger Unit Type. The developer may discontinue or modify the Platinum Rewards Program at any time in its sole discretion.

“Platinum Premier Owners” are Owners who have obtained a minimum of 540,000 Points from the developer, or any combination of Points from the developer and Rewards Points totaling 540,000; “Platinum Select Owners” are Owners who have obtained a minimum of 780,000 Points from the developer, or any combination of Points from the developer and Rewards Points totaling 780,000; “Platinum Elite Owners” are Owners who have obtained a minimum of 1,020,000 Points from the developer, or any combination of Points from the developer and Rewards Points totaling 1,020,000; “Platinum Pinnacle Owners” are Owners who have obtained a minimum of 1,500,000 Points from the developer, or any combination of Points from the developer and Rewards Points totaling 1,500,000. In addition, “Platinum Premier Lessees” are Lessees who have leased a minimum of 540,000 Points with an annual Use Term from the developer; “Platinum Select Lessees” are Lessees who have leased a minimum of 780,000 Points with an annual Use Term from the developer; “Platinum Elite Lessees” are Lessees who have leased a minimum of 1,020,000 Points with an annual Use Term from the developer; “Platinum Pinnacle Lessees” are Lessees who have leased a minimum of 1,500,000 Points with an annual Use Term from the developer.

On or after September 1, 2019, sales of the “Platinum Priority” program will begin. On or after January 1, 2020, the Platinum Rewards Program will be replaced with Platinum Priority, and Platinum Priority will be implemented. In addition, “Rewards Points” will become “Priority Points.” Platinum Priority only applies to annual Use Terms and is a package of benefits provided by the developer to Priority V, IV, III, II, and I Owners. The developer may discontinue or modify Platinum Priority at any time in its sole discretion.

“Priority V Owners” are Owners who have obtained a minimum of 420,000 Points from the developer, or any combination of Points from the developer, Priority Points, PIC Points, and any other point equivalent program expressly authorized in writing by the developer, totaling 420,000; Priority IV Owners” are Owners who have obtained a minimum of 720,000 Points from the developer, or any combination of Points from the developer, Priority Points, PIC Points, and any other point equivalent program expressly authorized in writing by the developer totaling 720,000; “Priority III Owners” are Owners who have obtained a minimum of 1,020,000 Points from the developer, or any combination of Points from the developer, Priority Points, PIC Points, and any other point equivalent program expressly authorized in writing by the developer totaling 1,020,000; “Priority II Owners” are Owners who have obtained a minimum of 1,500,000 Points from the developer, or any combination of Points from the developer, Priority Points, PIC Points, and any other point equivalent program expressly authorized in writing by the developer totaling 1,500,000; “Priority I Owners” are Owners who have obtained a minimum of 2,000,000 Points from the developer, or any combination of Points from the developer, Priority Points, PIC Points, and any other point equivalent program expressly authorized in writing by the developer totaling 2,000,000. Owners in the Platinum Rewards Program on August 31, 2019 will be automatically enrolled in Platinum Priority, when it is implemented; however, Owners who own between 420,000 and 539,999 Points with an annual Use Term, prior to September 1, 2019, will not be eligible for Platinum Priority without an additional purchase of Points from the developer (additional terms and fees may apply).
In addition, “Priority V Lessees” are Lessees who have leased a minimum of 420,000 Points from the developer, or any combination of Points from the developer, PIC Points, and any other point equivalent program expressly authorized in writing by the developer, totaling 420,000; “Priority IV Lessees” are Lessees who have leased a minimum of 720,000 Points from the developer, or any combination of Points from the developer, PIC Points, and any other point equivalent program expressly authorized in writing by the developer, totaling 720,000; “Priority III Lessees” are Lessees who have leased a minimum of 1,020,000 Points from the developer, or any combination of Points from the developer, PIC Points, and any other point equivalent program expressly authorized in writing by the developer, totaling 1,020,000; “Priority II Lessees” are Lessees who have leased a minimum of 1,500,000 Points from the developer, or any combination of Points from the developer, PIC Points, and any other point equivalent program expressly authorized in writing by the developer, totaling 1,500,000; “Priority I Lessees” are Lessees who have obtained a minimum of 2,000,000 Points from the developer, or any combination of Points from the developer, PIC Points, and any other point equivalent program expressly authorized in writing by the developer, totaling 2,000,000. Lessees in the Platinum Rewards Program on August 31, 2019 will be automatically enrolled in Platinum Priority, when it is implemented; however, Lessees who leased between 420,000 and 539,999 Points with an annual Use Term, prior to September 1, 2019, will not be eligible for Platinum Priority without an additional lease of Points from the developer (additional terms and fees may apply).

The 15-month reservation window for Flex Ownerships and Lessees of Use Rights is extended by 3 months for Platinum Premier Owners and Lessees, 4 months for Platinum Select Owners and Lessees, 5 months for Platinum Elite Owners and Lessees, and 6 months for Platinum Pinnacle Owners and Lessees. Under Platinum Priority, the 15-month reservation window for Flex Ownerships and Lessees of Use Rights is extended by 3 months for Priority V Owners and Lessees, 4 months for Priority IV Owners and Lessees, 5 months for Priority III Owners and Lessees, 6 months for Priority II Owners and Lessees, and 7 months for Priority I Owners and Lessees.

This reservation window is extended to 10 months for Platinum Select Owners and Lessees, 11 months for Platinum Elite Owners and Lessees, and 12 months for Platinum Pinnacle Owners and Lessees. is increased to 3 nights for participants in some of the developer’s short-term product programs. This reservation window is extended to 4 months for Platinum Elite Owners and Lessees, and 5 months for Platinum Pinnacle Owners and Lessees. Under Platinum Priority, this reservation window is extended to 4 months for Priority IV Owners and Lessees, 5 months for Priority III Owners and Lessees, 6 months for Priority II Owners and Lessees, and 7 months for Priority I Owners and Lessees. From 60 days prior to check-in, the Owner’s or Lessee’s, or short-term program participant’s reservation may be competing with the Developer’s or Association’s rental program.

Bonus Time: Reservations may be made for Bonus Time (space that is unused at a resort) 2 months prior to check-in, based on nightly rental rates set by the Association, which rates may change from time to time.

A reservation for a full week begins on the check-in date established for the particular resort by the Underlying Association. Ownership may be Annual Ownership, Biennial Ownership (Ownership with use only in odd-numbered years, or even-numbered years), or Triennial Ownership (Ownership with use every three years). Lease Program Use Rights may be Annual Use Rights or Biennial Use Rights.

Points Borrowing: Owners may “borrow” Points from the next Use Term and Lessees may borrow Points from the next Lease Use Term, only: (i) during the prior 12-month period; (ii) in order to complete the balance of a reservation for a 1-week stay or for the purpose of depositing the reserved week with an exchange company; (iii) within 5 months or less prior to check-in for Platinum Pinnacle Owners and Lessees, 4 months or less prior to check-in for Platinum Elite and Select Owners and Lessees, 3 months or less prior to check-in for Platinum Premier Owners and Lessees (or under Platinum Priority, within 7 months or less prior to check-in for Priority I Owners and Lessees, 6 months or less prior to check-in for Platinum II Owners and Lessees, 5 months or less prior to check-in for Priority III Owners and Lessees, 4 months or less prior to check-in for Priority IV Owners and Lessees, 3 months or less prior to check-in for Priority V Owners and Lessees), and 2 months or less prior to check-in for all other Owners and Lessees; and (iv) if you pay the estimated Basic Assessment for the future Use Term or Lease Use Term for the Points borrowed. Additional fees may apply to borrow Points. The developer reserves the right, in its sole discretion, to prohibit Lessees from borrowing if a Lessee has ever been delinquent in payments to the developer or Association.

Points Accrual: Owners may accrue (roll over) unutilized Points credited during one Use Term to the next successive calendar year and Lessees may accrue unutilized Points credited during one Lease Use Term to the next successive 12-month period. If notice of accrual is delivered to the Association by December 15 for Platinum Pinnacle Owners, November 30 for Platinum Elite Owners, October 31 for Platinum Select Owners, September 30 for Platinum Premier Owners (or under Platinum Priority, if notice of accrual is delivered to the Association by December 31 for Priority I Owners, December 15 for Priority II Owners, November 30 for Priority III Owners, October 31 for Priority IV Owners, September 30 for Priority V Owners), and August 31 for all other Owners, 100% of all unutilized Points may be accrued; if notice is delivered after the foregoing cutoff dates, 50% of all unutilized Points may be accrued. For Lessees, if notice of accrual is delivered to the Association at least 15 days prior to the end of their current Lease Use Term for Platinum Pinnacle Lessees, at least 1 calendar month prior for Platinum Elite Lessees, at least 2 calendar months prior for Platinum Select Lessees, at least 3 calendar months prior for Platinum Premier Lessees (or under Platinum Priority, if notice of accrual is delivered to the Association at least 1 calendar day prior to the end of the current Lease Use Term for Priority I Lessees, at 15 calendar days prior to the end of their...
current Lease Use Term for Priority II Lessees, at least 1 calendar month prior for Priority III Lessees, at least 2 calendar months prior for Priority IV Lessees, at least 3 calendar months prior for Priority V Lessees), and at least 4 calendar months prior for all other Lessees, 100% of all unutilized Points may be accrued; if notice is delivered after the foregoing cutoff dates but before the last day of the current Lease Use Term, 50% of all unutilized Points may be accrued. Lessees with Annual Use Rights may not accrue Points in their final Lease Use Term.

Utilization of Points which have been accrued may only be reserved 5 months or less prior to check-in for Platinum Pinnacle Owners and Lessees, 4 months or less prior to check-in for Platinum Select and Platinum Elite Owners and Lessees (or, under Platinum Priority, utilization of Points which have been accrued may only be reserved 7 months or less prior to check-in for Priority I Owners and Lessees, 6 months or less prior to check-in for Priority II Owners and Lessees, 5 months or less prior to check-in for Priority III Owners and Lessees, 4 months or less prior to check-in for Priority IV Owners and Lessees, 3 months or less prior to check-in for Priority V Owners and Lessees), and 2 months or less prior to check-in for all other Owners and Lessees.

The developer may permit an Owner who is current on all obligations to the developer and Association, and purchases Points from June 1 to December 31 for the current Use Term (annual or biennial), to extend the use for all of the Owner’s unutilized Points from such Use Term until the end of the next successive calendar year (for example, Points purchased from June 1, 2019 to December 31, 2019, having a 2019 Use Term, would be available for use, along with other unutilized Points credited in 2019, until December 31, 2020). Such extended Points shall not be subject to the reservation windows stated in this paragraph (the reservation periods stated in the Welk Resorts Platinum Rules and Regulations shall apply). Such extended Points may also be accrued to the Use Term following the next successive year, but in such case the notice requirements and limited reservation windows set forth in this paragraph shall apply (for example, the unutilized Points with a 2019 Use Term, which were extended for use through December 31, 2020, may be accrued for use through December 31, 2021, subject to the limited reservation windows in this paragraph and provided these Points are accrued by the cutoff dates defined in this paragraph).

Other limitations and changes may apply to the programs and rules stated above. In addition to the rules stated above, all reservations are also subject to the rules of the Association, please refer to the Welk Resorts Platinum Program and Welk Resorts Platinum Lease Program Rules & Regulations for details.

Attached as Exhibit “A” is a 12-month historical occupancy report for each of the locations.

This offering is for the unsold Points in the Program owned by the Developer. The total number of Points in the Program is 11,331,442,000.
The Developer reserves the right to add additional locations to the Program, and to add additional inventory (called “Resort Accommodations”) from the existing locations to the Program, subject to Association’s approval. The factors the Developer and the Association must consider in deciding whether to add new locations to the Program are as follows:

(i) The quality, size and desirability of the Resort Accommodations and dwelling units within such project when compared with other Resort Accommodations then dedicated to the Program and the other units to which members have access;
(ii) The availability of both on-site and off-site amenities likely to be used by members at such project;
(iii) The actual and anticipated seasonal use patterns of occupants of the project;
(iv) The duration of the term of any interests to be annexed at any such project;
(v) The geographic location of the project, both with respect to desirability and proximity to other projects within the Program;
(vi) The cost of construction, development, acquisition and operation of the project;
(vii) The physical condition of the units and Resort Accommodations to be dedicated, and the commitment on the part of Developer or any underlying owners association to provide for refurbishment and repair of such units and the related project and to make contributions to long-term repair and replacement reserves sufficient to pay for the repair and replacement of the components of the units and the project for which long term reserves are appropriate; and
(viii) Any other factors which the Association, exercising its reasonable judgment, determines to be in the best interests of the members.

Once the Association has approved a new project, the Developer has the right to annex additional Resort Accommodations at that location meeting the quality and suitability standards of the Program without obtaining the specific approval of the Association to each dedication.

The Association has the power to deannex (remove) Resort Accommodations from the time-share plan and to thereafter sell the deannexed Resort Accommodations, or to substitute Resort Accommodations. Deannexation may occur if the Association determines the Resort Accommodations to be substandard, or damaged beyond reasonable repair, or if the holder of a blanket encumbrance forecloses on some of the inventory, and determines that the foreclosed inventory is not needed to support the number of outstanding points. No deannexation or substitution may occur which would cause the number of Points outstanding to exceed the maximum permissible number of Points allowed under the time-share plan unless and until The Program has acquired or created such additional Points or canceled a sufficient number of Points to bring the inventory of authorized Points into balance with the number of Points outstanding.

5. Describe financial arrangements that have been made for completion of any incomplete, promised improvements.

The developer has posted a surety bond of $41,401,878.96 to assure completion of the accommodations and amenities at Welk Resorts Breckenridge.
6. Describe the duration, phases, and operation of the time-share plan.

The duration of the time-share plan is perpetual. The Developer currently offers both perpetual and varying duration Ownerships and Leases of Use Rights with varying durations. The Master Declaration of Restrictions and Bylaws for Welk Resorts Platinum Program, as amended, provides that additional units may be annexed under the timesharing plan set forth in the Master Declaration. There are an unlimited number of accommodations and Underlying Resorts that may become dedicated to the Program. A copy of the Association’s Articles of Incorporation, Master Declaration, and the Rules and Regulations will be provided to purchasers in their owners packet and lessees in the lessees packet. Timeshare owners will become members of Welk Resorts Platinum Owners Association, a California nonprofit, mutual benefit corporation, which is the association of timeshare interest owners. This membership is inseparable from the timeshare ownership. Leases of Use Rights do not include membership or voting rights in the Association, which remain with the Developer as Lessor. Upon expiration of a Lease, the Lessee’s Use Rights automatically terminate and revert back to the Developer. The developer’s short-term product programs do not include membership or voting rights in the Association, which remain with the developer.

The reservation system for the Program is operated by Welk Hospitality Management, Inc., which is an affiliate of the Developer. Points are issued to each Owner on January 1 of each year (every other year, in the case of Biennial Owners, or every third year, in the case of Triennial Owners). Use Rights, which enable access to and use of Developer-owned Points during the Term of a Lease, are issued to each Lessee at the beginning of their Lease Use Term each year (or at the beginning of their Lease Use Term every other year, in the case of Biennial Lessees). Use and occupancy rights, associated with Points owned by the developer, are issued to participants in the developer’s short-term product programs on a one-time (not a recurring) basis.

7. State the name and principal address of the managing entity and a description of the procedures, if any, for altering the powers and responsibilities of the managing entity and for removing or replacing it.

The Association has entered into a contract dated May 1, 2006 with Welk Hospitality Management, Inc., a California corporation, which is located at 300 Rancheros Drive #450, San Marcos, California 92069, to act as managing agent for the Vacation Ownership Program. The initial term of the contract is 5 years, with automatic three year renewals, and may be terminated by the Association for cause. The powers and responsibilities of the managing agent can be altered by the board of directors of the Timeshare Association. A copy of the contract is attached hereto as Exhibit “B”.

8. Describe the current annual budget as required by Section 11240, along with the projected assessments and a description of the method for calculating and apportioning the assessments among purchasers, all of which shall be attached as Exhibit C to the public report.

The Master Declaration provides that each owner of a timeshare interest must pay Basic and Special Assessments levied by the Association. The Association prepares a Budget on an annual basis, and apportions the expenses among the number of Points outstanding. The current operating Budget is attached hereto as Exhibit “C”. The assessments under the 2019 Budget are a base assessment of $703 per membership, plus $3.35 per 1,000 Points. This assessment includes an allocation for real property taxes and dues payable to the Underlying
Associations. The budgets for the Underlying Associations include an allocation for long-term reserves.

The Developer has entered into a Subsidy Agreement with the Association dated May 1, 2006, which allows the Developer to pay subsidy, in lieu of assessments, as to unsold Points owned by the Developer. The Developer has posted a surety bond in the sum of $8,500,000 with Westchester Fire Insurance Company, to secure payment of the Developer's obligations under the Subsidy Agreement.

9. Describe any initial or special fee due from the purchaser at closing together with a description of the purpose and the method of calculating the fee.

The fees for which a purchaser is responsible for paying at closing are the first year's annual assessment, plus escrow documents, administration, and marketing expenses that currently range from $895 to $1590, depending on the type of Ownership purchased. The fees for which a lessee is responsible for paying at closing are the first monthly installment of assessments, plus escrow documents, administration, and marketing expenses that currently range from $295 to $695, depending on the type of Lease.

10. Describe any financing offered by or available through the developer.

The Developer offers financing to qualified purchasers. The terms of the financing are subject to change at any time, but generally require at least a 10% down payment, a term of up to 15 years, and interest rates of up to 18.9%.

11. Describe any liens, defects or encumbrances on or affecting the title to the time-share interests.

There are no blanket encumbrances on the inventory owned by the Association, except for a blanket encumbrance on the One Village Place, El Corazon de Santa Fe and Four Seasons Residence Club Aviara units, which are each subject to a subordination and nondisturbance agreement. Each time resort accommodations are dedicated to the Program, the Association receives an owner's policy of title insurance showing title to the accommodations in the name of the Association with no blanket encumbrances, except for any blanket encumbrance which is subject to a subordination and nondisturbance agreement to protect the use rights of Owners. A list of the recorded exceptions to coverage from each of the Association title insurance policies is attached hereto as Exhibit “D”. Title to Phase III of Sirena del Mar by Welk Resorts is covered by the legal opinion of a Mexican law firm, a copy of which is attached hereto as Exhibit "E". The Mexican legal opinion has not been qualified by the Commissioner.

12. Describe any bankruptcies, pending civil or criminal suits, adjudication, or disciplinary actions of which the developer has knowledge, that would have a material effect on the developer's ability to perform its obligation.

None.

13. Describe any current or expected fees or charges to be paid by time-share purchasers for the use of any amenities related to the time-share plan.

There are no current or expected fees or charges for use of the amenities at any of the resorts, except that there is a $7/night surcharge at the Cabo location. Guests will be responsible for any
purchases made by the guest at any of the retail facilities at the resort, such as food and beverage purchases, entertainment, golf, etc. There is a fee of $10 per day or $100 per month for using the new gym and fitness center at Lawrence Welk Resort Villas during day use. The fee does not apply to owners and their guests who utilize the gym during their regular use period.

14. **Describe the insurance coverage, including limits and deductibles, provided for the protection of the purchaser.**

Each of the Underlying Associations maintains property and liability insurance for the applicable Underlying Resort. The Association maintains general liability insurance, as well as title insurance and a fidelity bond.

15. **Describe the extent to which a time-share interest may become subject to a tax lien or other lien arising out of claims against purchasers of different time-share interests.**

Each time-share interest is separately owned by a time-share purchaser, so a tax or other lien against one time-share owner will not affect the time-share interest of another owner.

16. **Describe any right of first refusal or other restraint on the transfer of all or any portion of a time-share interest.**

Section 2.18 of the Declaration contains a right of first refusal in favor of the Developer. If an Owner receives an offer to purchase his time-share interest, the Developer must be given the right to match the offer before the sale can close. Lessees are prohibited from assigning their Lease of Use Rights to third parties other than their direct heirs.

17. **Provide a statement disclosing that any deposit made in connection with the purchase of a time-share interest shall be held by an escrow agent until expiration of any right to cancel the contract and that any deposit shall be returned to the purchaser if he or she elects to exercise his or her right of cancellation.**

Any deposit made in connection with a time-share interest shall be placed in an escrow trust account with Chicago Title Company, 10805 Rancho Bernardo Rd., #150, San Diego, CA 92127 until expiration of the purchaser’s or lessee’s right to cancel the contract. Any deposit shall be returned to the purchaser or lessee if he or she elects to exercise his or her right of cancellation.

18. **Submit a statement that the assessments collected from the purchasers will be kept in a segregated account separate from the assessments collected from the purchasers of other time-share plans managed by the same managing entity, along with a statement identifying the location of the account and a disclosure of the rights of owners to inspect the records pertaining to their accounts.**

The assessments collected from owners and lessees of time-share interests in the project will be kept in a segregated account separate from the assessments collected from the purchasers of other time-share plans managed by the same managing entity. The Association deposits these funds in Torrey Pines Bank, 750 B Street, Ste. 100, San Diego, CA 92101. Owners of time-share interests have the right to inspect the records of this account by notifying the managing agent in writing of their desire to do so.
19. If the time-share plan provides purchasers with the opportunity to participate in an exchange program, state the name and address of the exchange company and describe the method by which a purchaser accesses the exchange program.

The project is affiliated with RCI, LLC at 14 Sylvan Way, Parsippany, New Jersey 07054. An exchange program member may access the exchange either online at www.rci.com, or by calling RCI's customer service line at (877) 968-7476.

2. **LEGAL TITLE RESTRICTIONS APPLICABLE TO THE PREMISES**

For purposes of this opinion, it should be noted that Article 27 of the Political Constitution of the United Mexican States sets forth the primary rules that regulate title to real estate in Mexico. Such constitutional provision additionally contemplates certain prohibitions or limitations regarding title to real estate, *inter alia*: foreigners may not *directly* hold legal title to any real estate in Mexico which is located within 100 kilometers from the border or 50 kilometers from the coastline (the “Restricted Zone”). It should be noted that the Premises subject matter hereof, is located within such Restricted Zone.

Notwithstanding such constitutional restriction, foreigners (individuals as well as corporate entities, i.e. Platinum) may nevertheless obtain the exclusive and absolute use and enjoyment of real estate located within the Restricted Zone, for the purpose of carrying out industrial or (as in the case at hand) tourism related activities conducted therein.

Mexico’s Foreign Investment Law further provides that the Ministry of Foreign Affairs may authorize Mexican banking institutions to acquire title over real estate located within the Restricted Zone, as trustee (*fiduciario*) of a trust agreement (*fideicomiso*) and which could have foreigners designated as absolute beneficiaries and thereby entitled to the possession, use and enjoyment of the real properties. Such real estate trusts or *fideicomisos* have a renewable fifty (50) year terms.

Consequently, Title to the Premises (which is located within the Restricted Zone) subject matter of the present title opinion is held by the Mexican trustee named HSBC México, S.A., Institución de Banca Múltiple, Grupo Financiero HSBC, Trustee Division for the benefit of the designated trust beneficiaries, pursuant to an Irrevocable Guaranty Trust Agreement or *Fideicomiso Irrevocable de Garantía* No. F/234850 formalized on May 18, 2007, by way of public instrument number 22,238, granted before Notary Public Juan Jose Thomas Moreno, Notary Public number 7 in Tijuana, Baja California, which instrument was duly recorded (for third party purposes) before the Public Registry of Property and Commerce in San José del Cabo, Baja California Sur, under number 158, page 158, volume CCLXXXIX, first section, on June 5, 2007.
